I Don't Love You by My Chemical Romance

Well when you go	Another (6) was (7) another blow
So never think I'll make you try to stay,	So fix your (8) and get up
And maybe when you get back,	Baby, get up
I'll be off,	While you can
To find another way	When you go
When after all this (1) that you still owe	And would you even (9) to say
You're still a good-for-nothing I don't know,	I don't love you like I did yesterday
So take your (2) and get out,	Well come on, (10) on
Baby get out	When you go
While you can	Would you have the guts to say
When you go	I don't love you like I loved you yesterday
And (3) you even turn to say,	I don't love you
I don't love you like I did yesterday	Like I loved you
Sometimes I cry so hard (4) pleading	Yesterday
So sick and tired of all the needless beating,	I don't love you
But baby when they knock you down and out	Like I loved you
Is where you oughta stay	Yesterday
And after all the blood (5) you still owe
