It Will Rain by Bruno Mars

Fill in the gaps

If you ever leave me, baby	But little darling watch me change their minds
Leave some morphine at my door	Yeah for you I'll try, I'll try, I'll try, I'll try
'Cause it (1) take a whole lot of medication	And I'll pick up these broken pieces 'til I'm bleeding
To realize (2) we used to have	If that'll make you mine
We don't have it anymore	'Cause there'll be no sunlight
There's no (3) (4) could save	If I (8) you, baby
me	There'll be no clear skies
No matter how long my knees are on the floor	If I lose you, baby
So keep in mind all the sacrifices I'm making	And just like the clouds
Will keep you by my side	My eyes will do the same if you walk away
And keep you from walking out the door	Everyday, it will rain
'Cause there'll be no sunlight	Don't you say, goodbye
If I lose you, baby	Don't you say, goodbye
There'll be no clear skies	I'll pick up these broken pieces 'til I'm bleeding
If I lose you, baby	If that'll (9) it right
Just like the clouds	'Cause there'll be no sunlight
My eyes will do the same if you walk away	If I lose you, baby
Everyday, it (5) rain	And there'll be no clear skies
I'll never be your mother's favorite	If I lose you, baby
Your daddy can't (6) look me in the eye	And (10) like the clouds
If I was in their shoes, I'd be doing the same thing	My eyes will do the same if you walk away
Saying there goes my little girl	Everyday, it will rain, rain, rain
Walking with that troublesome guy	
But they're (7) afraid of something	
They can't understand
