

It's alright, to tell me, what you think, about me

Fill in the gaps

I won't try, to argue, or hold it, against you
I know that, you're leaving
You must have, your reasons
The season is calling
Your pictures are falling down
The steps that, I retrace
The sad look, on your face
The timing, and structure
Did you hear, he f**** her?
A day late, a (1) short, I'm writing, the report
On losing, and failing when I move
I'm flailing now
And it's happened once again
I'll turn to a friend
Someone that understands
Sees through the master plan
But everybody's gone
And I've been here for too long
To (2) this on my own
Well I guess this is growing up
Well I guess this is growing up
And maybe, I'll see you

At a movie sneak preview
You'll show up, and (3) by
On the arm of that guy
And I'll smile, and you'll wave
We'll pretend it's okay
The charade, it won't last
When he's gone, I won't come back
And it'll happen once again
You'll (4) to a friend
Someone that understands
And sees (5) the (6) plan
And sees (5) the (6) plan But everybody's gone
But everybody's gone
But everybody's gone And you've been there for too long
But everybody's gone And you've been there for too long To face this on (7) own
But everybody's gone And you've been there for too long To face this on (7) own Well I guess this is growing up
But everybody's gone And you've been there for too long To face this on (7) own Well I guess this is growing up Well, I guess this is growing up
But everybody's gone And you've been there for too long To face this on (7) own Well I guess this is growing up Well, I guess this is growing up Well, I guess this is growing up
