It's alright, to (1) r	me, what you think,	At a movie sneak preview
(2) me		You'll (6) up, and walk by
I won't try, to argue, or hold it, agains	t you	On the arm of that guy
I know that, you're leaving		And I'll smile, and you'll wave
You must have, your reasons		We'll pretend it's okay
The (3) is calling		The charade, it won't last
Your pictures are falling down		When he's gone, I won't come back
The steps that, I retrace		And it'll happen once again
The sad look, on your face		You'll (7) to a friend
The timing, and structure		Someone that understands
Did you hear, he f**** her?		And sees through the master plan
A day late, a buck short, I'm writing, the	he report	But everybody's gone
On losing, and (4)	when I move	And you've (8) there for too long
I'm flailing now		To face this on your own
And it's happened once again		Well I guess this is growing up
I'll turn to a friend		Well, I guess this is growing up
Someone that understands		Well, I guess this is growing up
Sees through the (5)	plan	Well, I guess this is growing up
But everybody's gone		Well, I guess this is (9) up
And I've been here for too long		Well, I (10) this is growing up
To face this on my own		
Well I guess this is growing up		
Well I guess this is growing up
