## This Is Me by Demi Lovato & Joe Jonas

've always been the kind of girl	No more (5) who I want to be
That hid my face	This is me
So afraid to (1) the words	You're the voice I hear inside my head
What I've got to say	The reason (6) I'm singing
But I have (2) dream	I need to find you
Bright inside of me	I gotta find you
'm gonna let it show	You're the missing piece I need
t's time	The song inside of me
To let you know	I need to (7) you
t's to let you know	I gotta (8) you
This is real, this is me	This is real, this is me
'm exactly where I'm supposed to be now	I'm exactly where I'm supposed to be now
Gonna let the light shine on me	Gonna let the light shine on me
Now I've found who I am	Now I've found who I am
There's no way to hold it in	There's no way to hold it in
No more hiding who I want to be	No more hiding who I want to be, yeah

Where you're the (3) star	Inside my head
Even though it seems	The reason that I'm singing
Like it's too far away	Now I've found who I am
have to believe	There's no way to hold it in
n myself, it's the only way	No more (10) who I want to be
