## Talking To The Moon by Bruno Mars

## Fill in the gaps

I know you're somewhere out there	At night when the stars light up my room
Somewhere far away	I sit by myself
I want you back	Talking to the moon
I want you back	Try to get to you
My neighbors think I'm crazy	In hopes you're on the (8) side
But they don't understand	Talking to me too
You're all I have	Or am I a fool
You're all I have	Who sits alone
At (1) when the stars (2) up my	Talking to the moon
room	(Ah ah ah)
I sit by myself	Do you ever hear me calling?
Talking to the moon	(Ah ah ah)
Try to get to you	'Cause every night
In hopes you're on the other side	I'm talking to the moon
Talking to me too	Still trying to get to you
Or am I a fool	In (9) you're on the other side
Who (3) alone	Talking to me too
Talking to the moon?	Or am I a fool
(Ah ah ah)	Who sits alone
I'm feeling like I'm famous	Talking to the moon
The talk of the town	(Oh oh oh)
They say I've (4) mad	I know you're somewhere out there
Yeah I've (5) mad	Somewhere far away
But they don't know what I know	
Cause when the sun (6) down	
Someone's talking back	
They're talking (7) (Oh)
