

Fill in the gaps

If I only knew your name	I'd go from (12) to door
I'd go (1) door to door	Tell me have you (13) the girl
Searching all the crowded streets	I've met just (14) before
For the (2) that I once saw	Young Love
If I only knew your name	Never seems to last
I'd go from door to door	Far too young
Tell me have you seen the girl	Until they (15) a past
I've met just once before	Playing games
One night of love	People move so fast
Nothing more nothing less	You don't need eyes to see
One (3) of love	If (16) got a heart of glass
To put my (4) in a mess	Young Love
Is that you on the bus?	Never seems to last
Is that you on the train?	Far too young
You wrote (5) (6) on my hand	Until they have a past
And it came off in the rain	One night of love
One (7) of love	Nothing (17) nothing less
Nothing (8) nothing less	One night of love
One night of love	Has (18) my heart in a mess
Has put my bed in a mess	If I only (19) your name
Is that you on the bus?	I'd go (20) door to door
Is that you on the train?	Searching all the crowded streets
You (9) your number on my hand	For the (21) that I (22) sa
And it came off in the rain	If I (23) knew (24) name
If I only knew your name	I'd go (25) door to door
I'd go (10) door to door	Tell me have you seen the boy
Searching all the (11) streets	I've met just (26) before
For the place that I once saw	
If I only knew your name
