SUB inglés

Baby there's a price to pay I'm a genie in a bottle

Fill in the gaps

Genie In A Bottle by Christina Aguilera

I feel like I've been locked up tight	You (3)	rub me the right way
For a century of lonely nights	If you wanna be with me	
Waiting for someone to (1) me	I can make your wish come true	
You're licking your lips	Just come and set me (4) baby	
And blowing kisses my way	And I'll be with you	
But that don't mean I'm gonna give it away	I'm a genie in a bottle baby	
Baby, baby, (2) (baby, baby, baby)	You gotta rub me the right way honey	
(Ooooh)	I'm a genie in a bottle baby	
My body's saying let's go	Come, come on and let me out	
(Ooooh)	I'm a (5) in a bottle baby	
But my heart is saying no	Gotta rub me the right way honey	
If you wanna be with me	(If you wanna be with me)	
Baby there's a price to pay	I'm a genie in a (6)_	baby
I'm a genie in a bottle	Come, come, come o	on and let me out
You gotta rub me the right way	(Ooooh)	
If you wanna be with me	My body's (7)	let's go
I can make your wish come true	(Ooooh)	
You gotta make a big impression	But my heart is saying no	
I gotta like what you do	If you wanna be with me	
I'm a genie in a bottle baby	Baby there's a price to pay	
Gotta rub me the right way honey	I'm a genie in a bottle	
I'm a genie in a bottle baby	You gotta rub me the right way	
Come, come, come on and let me out	If you wanna be with me	
The music's fading	I can make (8) wish come true	
The light's down low	You gotta make a big impression	
Just one more dance	I (9) like what you do	
And then we're good to go	If you wanna be with me	
Waiting for someone	Baby there's a price to pay	
Who needs me	I'm a genie in a bottle	
Hormones racing at the speed of light	You gotta rub me the right way	
But that don't mean it's gotta be tonight	If you wanna be with me	
Baby, baby, baby, baby, baby, baby)	I can make your wish come true	
(Ooooh)	Just (10) and set me free baby	
My body's saying let's go	And I'll be with you	
(Ooooh)	I'm a genie in a bottle baby	
But my heart is saying no	Come, come, come o	on and let me out
