

## Fill in the gaps

You say you need someone	I am yours like a hero
But (1) does	I'll see this through
I'm no different than you	There's so (16) me in you
I just (2) what I do	Take this (17) together
You (3) (4) (5) at	Fight (18) demons off forever
Everyone but yourself	Forever, forever
And blame the ones that you love	5, 4, 3, 2, 1
Who're only (6) to help	I won't stop until it's done
As it's winding (7) to zero	No curtain call, I will not fall
I am yours like a hero	This may be the one we've been (19) fo
I'll see this through	No (20) call, (21) take it all
There's so much me and you	Sweat drips down (22) (23) angle
Take this (8) together	Love (24) body as it gathers in a pool by your fe
Fight these demons off forever	You turn up the heat
Forever, forever	Tossin' and turnin', you cannot sleep
5, 4, 3, 2, 1	Quietly weep, you're in too deep
I won't (9) until it's done	5, 4, 3, 2, 1
No curtain call, I will not fall	I won't stop until it's done
This may be the one we've been waiting for	No curtain call, I will not fall
No curtain call, just take it all	This may be the one we've been waiting for
I have no time for fear	No curtain call, (25) take it all
Or (10) in my ear	5, 4, 3, 2, 1
Head down and running so fast	I won't stop (26) it's done
Try not to dwell on the past	No curtain call, I will not fall
I'm fighting through (11) pain	This may be the one we've been waiting for
And (12) I cannot change	No curtain call, just take it all
Running right (13) the flame	
Rather than (14) away	
As it's (15) down to zero
