Fill in the gaps

Over My Shoulder by Mike and The Mechanics

Looking back over my shoulder	Cos I can fell you (6) through my fingers
I can see that (1) in your eye	I don't even know the (7) why
I never dreamed it could be over	Every day It's a losing battle just to smile
I never wanted to say goodbye	And hold my head up high
Looking back (2) my shoulder	Could it be (8) we belong together
With an aching deep in my heart	Baby won't you give me one more try
I wish that we were starting over	On more try
Oh instead of drifting so far apart	Looking back over my shoulder
Everybody told me you were leaving	I can see that look in your eye
Funny I (3) be last to know	I never dreamed it could be over
Baby please tell me that I'm dreaming	I never wanted to say goodbye
I just never want to let you go	Looking back over my shoulder
Looking back over my shoulder	(Oh with an aching feeling inside
I can see that (4) in your eyes	Cutting me up, deeper and deeper
Turning my heart over and over	Fills me with a sadness that I can't hide
I never (5) to say goodbye	Looking back)
I don't mind everybody laughing	
But it's enough to make a grown man cry
