### Over My Shoulder by Mike and The Mechanics

Looking (1) over my shoulder	Cos I can (16) you slipping through my fingers
I can see that look in (2) eye	I don't (17) know the reason why
I (3) it could be over	Every day It's a (18) battle just to smile
I never wanted to say goodbye	And hold my head up high
Looking back (5) my shoulder	Could it be that we (19) together
With an aching deep in my heart	Baby won't you give me one more try
I wish (6) we were starting over	On more try
Oh instead of drifting so far apart	Looking back over my shoulder
Everybody (7) me you (8) leaving	I can see (20) look in (21) eye
Funny I should be last to know	I never (22) it could be over
Baby please tell me (9) I'm dreaming	I (23) wanted to say goodbye
I just never (10) to let you go	Looking back (24) my shoulder
Looking back over my shoulder	(Oh with an (25) feeling inside
I can see that look in (11) eyes	Cutting me up, deeper and deeper
Turning my heart (12) and over	Fills me with a sadness (26) I can't hide
I never (13) to say goodbye	Looking back)
I don't (14) (15) laughing	
But it's enough to make a grown man cry
