Over My Shoulder by Mike and The Mechanics

Looking back over my shoulder	Cos I can fell you slipping through my fingers
can see that look in your eye	I don't (5) know the reason why
never dreamed it could be over	Every day It's a losing battle just to smile
never wanted to say goodbye	And hold my head up high
Looking back over my shoulder	Could it be that we belong together
Nith an aching deep in my heart	Baby won't you give me one more try
wish that we were starting over	On more try
Oh (1) of (2) so far	Looking back over my shoulder
apart	I can see that look in your eye
Everybody told me you were leaving	I never (6) it could be over
Funny I should be last to know	I (7) wanted to say goodbye
Baby please tell me that I'm dreaming	Looking back (8) my shoulder
just never (3) to let you go	(Oh with an aching feeling inside
Looking back over my shoulder	Cutting me up, deeper and deeper
can see that (4) in your eyes	Fills me with a (9) that I can't hide
Turning my heart over and over	Looking back)
never wanted to say goodbye	
don't mind everybody laughing
