Dying For An Angel by Avantasia & Klaus Meine

You're awake in (1) darkest dream	Living on a dream
I have come for you	Dying for an angel
And nobody can hear you scream	Reach out, waiting for a miracle
When I reach for you	No sign of wings, as you turn your back on me
Don't you remember they're feeding your face	Living on a dream
Before they have carved you in stone	Lonely call to dial
And don't you remember your sweat and your pain	Head up, feet down in the fire
When you were drawn to the bone	Can I tell your gone
When you were left on all alone	Dying for an angel
Living on a dream	Everyday
Dying for an angel	(Living on a dream
Reach out, waiting for a miracle	Dying for an angel
No sign of wings, as you turn your (2) on me	Reach out, (6) for a miracle
Living on a dream	No sign of wings, as you turn (7) (8) on
Lonely call to dial	me)
Head up, feet down in the fire	Living on a dream
Can I tell (3) gone	Dying for an angel
Dying for an angel	Reach out, waiting for a miracle
Everyday	No sign of wings, as you turn your (9) on me
Where do we go from the apology	
What do I leave behind	Living on a dream
How will I stand what I'll have to say	Lonely call to dial
This reflexion of mine	Head up, feet down in the fire
Collateral damage, your sacrifice	Can I tell your gone
Got a (4) fly alone to fall	Dying for an angel
Gotta tear down the (5) of love and light	Everyday
You have come on your own	
You will go on all alone
