## Slow Cheetah by Red Hot Chili Peppers

Waking up dead inside of my head	Before my forest
Will never never do there is no med	Looks like it's on today
No (1) to take	Slow cheetah come
I've had a chance to be insane	It's so euphoric
Asylum from the falling rain	No matter (5) they say
I've had a (2) to break	Everyone has
It's so bad it's got to be good	So much to say
Mysterious (3) misunderstood	They talk, talk, talk
Dressed like a wedding cake	Their lives away
Any other day and I (4) play	Don't even hesitate
A funeral march for Bonnie Brae	Walking on down
Why try and run away	To the burial ground
Slow cheetah come	It's a (6) old dance
Before my forest	With a merry old sound
Looks like it's on today	Looks like it's on today
Slow cheetah come	Slow (7) come
It's so euphoric	Before my forest
No matter what they say	Looks like it's on today
I know a girl	Slow cheetah come
She worked in a store	It's so euphoric
She knew not what	No matter what (8) say
Her life was for	Slow cheetah come
She barely knew her name	Before my forest
They tried to tell her	Looks like it's on today
She would never be	Slow cheetah come
As happy as the girl	It's so euphoric
