Calling All Cars by Senses Fail

Calling all cars we've got another victim
'Cause my (1)_____ has become an affliction
What did you expect from me?
What did you expect from me?
I'm sorry but I think I failed to mention
That I lied at my very first confession
What did you expect from me?
What did you expect from me?
'Cause this has been building
Since I have been breathing
And I know how it's going to end
So will you (2)_____ my ashes
Where they won't be found?
I kept my word
When I swore that I (3)_____ let you down
And now that I'm gone
Try to forget me and (4)_____ move on
So (5)_____ you scatter my ashes
Where they won't be found?
I kept my word and you hate me for it now
But you knew all along
Try to forget me and (6)_____ move on
Oh my dear what have I gone and done now?
It's curtain call, I'm about to take my (7)_____ bow
What did you expect from me?
What did you expect (8)_____ me?
Without giving away
The entire ending
I ruined the evening again
So (9)_____ you scatter my ashes
Where they won't be found?
I kept my word
When I swore that I would let you down
And now that I'm gone
Try to forget me and just move on

So will you scatter my ashes
Where (10)_____ won't be found?
I kept my word and you (11)_____ me for it now
But you knew all along
Try to forget me and just move on
I don't
Have (12)_____ left
Inside
Inside
And I don't
Have love left
Inside
Inside
Are you desperate for an answer?
I don't have an ounce of good left in me now
That's why I walked out
So (13)_____ you scatter my ashes
Where they won't be found?
I kept my word
When I swore (14)_____ I would let you down
And now that I'm gone
Try to (15)_____ me and (16)_____
(17)_____ on
So will you (18)_____ my ashes
Where they won't be found
I kept my word and you (19)_____ me for it now
You hate me for it now
Try to forget me and (20)_____ move on
I am not the one that you should blame
So take what I left you for the pain
I am not the one (21)_____ you should blame
So (22)_____ what I left you for the pain
And do (23)_____ (24)_____ to (25)_____
my name

Fill in the gaps

Answer
