

Try to forget me and just move on

Fill in the gaps

Calling all cars we've got another victim		So will you scatter my asnes		
'Cause my love has become an affliction		Where they won't be found?		
What did you expect from me?		I kept my word and you (4) me for it now		
What did you expect from me?		But you knew all along		
I'm sorry but I (1) I failed to mention		Try to forget me and just move on		
That I lied at my very first confession		I don't		
What did you expect from me?		Have love left		
What did you expect from me?		Inside		
'Cause this has been building		Inside		
Since I have been breathing		And I don't		
And I know how it's going to end		Have love left		
So will you scatter my ashes		Inside		
Where they won't be found?		Inside		
I kept my word		Are you (5) for	for an answer?	
When I swore that I would let you down		I don't have an ounce of good left in me now		
And now that I'm gone		Thats why I walked out		
Try to forget me and just move on		So (6) you scatter my ashes		
So will you scatter my ashes		Where they won't be found?		
Where they won't be found?		I kept my word		
I (2) my word and you hate me for it now		When I swore that I would let you down		
But you knew all along		And now that I'm gone		
Try to forget me and just move on		Try to forget me and just (7) on		
Oh my dear what have I gone and done now?		So (8) you scatter my ashes		
It's curtain call, I'm about to take my last bow		Where they won't be found		
What did you expect from me?		I kept my word and you hate me for it now		
What did you expect from me?		You hate me for it now		
Without (3)	away	Try to forget me and just move on		
The entire ending		I am not the one that you should blame		
I ruined the evening ag	ain	So take what I (9) you for the	ne pain	
So will you scatter my ashes		I am not the one that you (10) blame		
Where they won't be found?		So take what I left you for the pain		
I kept my word		And do your best to forget my name		
When I swore that I wo	uld let you down			
And now that I'm gone
