

Fill in the gaps

And the fishermen came back across the (1) And the people started running in the park And the city stopped, as I held you in my
(2) We could hear the sound of sirens all around us And the scent of burning oil was in the air And the music played And it felt so good to
hear This is the life we've been given So open your mind and start living We can play a part if we only start believing There's a stranger on the hill and
he is speaking As the tear from every cloud begin to fall For one moment then, we understood it all Everyone, everyone, can you hear the soldiers
coming Everyone, everyone, every man and every women We all fall, in the end we're just miracles of matter So come on, let me love you This is the
life we've been given So open your mind and start living We can play a part if we (3) start believing This is the life we've (4)
given So open your heart and start loving We can make a start if we (5) to listen Then the crowd began to head for the
horizon A million people walking back to work But you and me, we just lay (7) in the garden Yeah you and me, we just lay down in the
garden This is the life we've (8) given So open your heart and start loving We can make a start if we only learn to listen You and me, we
just lay down in the garden Yeah, the garden
