

## Fill in the gaps

I got a lot to say to you	Crush
Yeah, I got a lot to say	Crush
I noticed your eyes are always glued to me	Crush, crush
Keeping (1) here	(Two, three, four!)
And it makes no sense at all	Nothing compares to a quiet evening alone
They taped (2) your mouth	Just the one two of us who's counting on
Scribbled out the truth with their lies	That (17) happens
You little spies	I (18) I'm dreaming again
They taped over your mouth	Let's be more (19) this
Scribbled out the (3) with their lies	Rock and roll, baby
You little spies	Don't you (20) that we're all (21)
Crush	now?
Crush	I need (22) to (23) about
Crush	Rock and roll, hey
Crush, crush	Don't you know, baby, we're all alone now?
(Two, three, four!)	I (24) (25) to sing about
Nothing (4) to a quiet	Rock and roll, hey
(5) alone	Don't you know, baby, we're all alone now?
Just the one two of us who's counting on	Give me something to sing about
That never happens	Nothing (26) to a (27)
I (6) I'm dreaming again	evening alone
Let's be more than this	Just the one two of us who's (28) on
If you want to play it (7) a game	That never happens
Well, (8) on, come on, let's play	I guess I'm dreaming again
Cause I'd (9) waste my (10)	Let's be more than
pretending	(No, oh)
Than (11) to forget you for one whole minute	Nothing compares to a quiet (29) alone
They taped over your mouth	Just the one two of us who's counting on
Scribbled out the truth (12) (13) lies	That never happens
You (14) spies	I guess I'm dreaming again
They taped over (15) mouth	Let's be more than
Scribbled out the (16) with their lies	More than this
You little spies	
Crush
