# Remenissions by Avenged Sevenfold

With this ink in our skin we've sealed our fate,	Leaves at my feet, blown to the ground
and the axe comes early	their echoes are reaching my ears
(only naturally) So (1) does (2) matter?	Nights (14) fast, suns going down
There's a bed of skeletons waiting for me,	But keep (15) (16) me keep away
on the other side	from me
They're waiting for my (3) move (next	(it's hard, to (17) me in this place, keep away from
(4) breath)	me)
Human lives to me (5) so unreal, can't see through	We may have created the beginning, mentally
the fog	We may have (18) the beginning,
(nothing (6) a grey wall) see past the stereotype	physically
Belief, structure built up in you.	To the end of our human existence
I'll (7) you down and the one who created you	I see through you
If they didn't have One how (8) they act?	The fear that's in your eyes
If we didn't have hope how would we behave?	A good friend (19) told me we are our memory
Would they still feel remorse	Without it we equal nothing
if they slaughtered (9) beings?	And all I can see is the (20) I wanna be
Or is hope the only thing (10) keeps you sane?	Timeless my life was so free
A good friend (11) told me we are our memory	Leaves at my feet, blown to the ground
without it we (12) nothing	their (21) are (22) my
And all I can see is the place I wanna be	ears
Timeless my (13) was so free	Nights coming fast, (23) (24)
	(25) confused
	I don't (26) the answers but neither do you.
