Fill in the gaps

In The Arms Of The Angel by Sarah Mclachlan

Spend all (1) time (2) for	The (15) keeps on twisting, keep on building the
(3) second chance	lies
For the break (4) will make it ok	That you (16) up for all that you lack
There's always some reason	Don't make no difference, escaping one last time
To (5) not good enough	It's easier to believe
And it's hard at the end of the day	In (17) (18) madness, oh this
I need (6) distraction, oh (7)	(19) sadness
release	That brings me to my knees
Memories seep from my veins	In the arms of the Angel, far (20) from here
They may be empty and weightless, and maybe	From this dark, cold hotel room
I'll (8) some peace tonight	And the (21) that you fear
In the arms of the Angel, fly away from here	You are pulled (22) the wreckage
From this dark, (9) hotel room	Of your silent reverie
And the endlessness (10) you fear	In the arms of the Angel
You are (11) from the wreckage	May you find (23) comfort here
Of your silent reverie	In the (24) of the Angel
You're in the arms of the Angel	May you find some comfort here
May you find (12) (13) here	
So tired of the straight line, and everywhere you turn	
There's vultures and (14) at your back
