Almost Over You by Sheena Easton I saw an old friend of ours today

I saw an old friend of ours today	So (8) you come back around
She asked (1) you	After painting the town
I didn't quite know what to say	You'll see I'm almost over you
Heard you've (2) making the rounds	I can forgive you and soon I'll forget
(3) here	All those shattered dreams
While I've been trying to make tears disappear	Although you left me with (9) to show
Now I'm almost over you	For the misery
I've almost shook these blues	Now I'm almost over you
So (4) you come back around	I've almost shook these blues
After painting the town	So when you come back around
You'll see I'm almost over you	After painting the town
You're (5) a sly one with your cold cold heart	You'll see I'm almost (10) you
Maybe leaving came easy	When you come back around
But it tore me apart	After painting the town
Time heals all wounds they say	You'll see I'm almost over you
And I (6) know	
Cause it (7) like forever but I'm letting you go	
Now I'm almost over you	
I've almost shook these blues
