Drop The World by Lil Wayne
I got ice in my veins
Blood in my eyes
Hate in my heart
Love in my mind
I seen nights full of pain
Days of the same
You keep the sunshine
Save me the rain
I search but never find
Hurt but never cry
I work and forever try
But I'm cursed so never mine
And it's worse but better times
Seems further and beyond
The top gets higher the more that I climb
The spot gets smaller and I get bigger
Tryna get me where I fit in
No room for a ***** but soon for a ***** it be on
******* cause
All this ****** have made me strong, ********
So I pick the world up and
I'ma drop it on your ****** head
Yeah, ***** I'ma pick the world up and
I'ma drop it on your ****** head
Yeah, and I can die no rebirth now ***********
Hop up in my spaceship and leave earth ************************************
I'm gone, *********
I'm gone
I know what they don't wanna tell you

I'll (1) up in the world and cut the (2)	off			
And confidence is a stain (3) can't wipe off				
(Uh) My word is my pride				
But wisdom is bleak and thats a word from the wise				
Served to survive, ***** and bribe				
And when it got too heavy I put my burden aside				
So I pick the world up and				
I'ma drop it on your ****** head				
(Haha! Yeah) *****				
I'ma (4) the world up and				
I'ma drop it on your ****** head				
Yeah, and I can die no rebirth now ***********				
Hop up in my spaceship and leave earth ************************************				
I'm gone, ********				
I'm gone				
I'm gone				
It hurts but never show				
Its pain you'll never know				
If (5) you can see just how lonely and how cold				
And frostbit I've become				
My back's against the wall				
When push come to shove				
I just stand up and scream **** em all				
Man it feels like these walls are closing in				
This roof is caving in				
Oop its time to raise it then				
Your days are numbered like pages in				
My book of rhymes got em (6) boy				
This crooked mind of mine got em all shook and scared				

I stole that ****** clock, I took the time and I		
Came up from behind		
And pretty much snuck up and ****-*****		
This game up		
Better be careful when you bring my name up		
**** this fame that aint what		
I came to claim, but the game ain't gonna be the same		
On the day that I leave it		
But I swear one way or another		
I'm gonna make these ****** haters believe that		
I (7) to God		
Won't spare the rod, I'm a man of my word		
So your ****** heads better nod		
Or I'ma gonna **** around in this *****		
And roast everybody		
Sleep on me that pillar is where your head'll lie		
Permanetly (8) its beddy bye		
This world is my easter egg, yeah, prepare to die		
My head is swoll		
My confidence is up		
This stage is my pedastal		
I'm unstoppable, The Incredible Hulk		
You're trapped in my medicine ball		
I can run circles around you so fast your		
****** head'll spin dogg		
I'll split your cabbage and your lettuces and		
Olives I'll ******		
So I pick the world up and		
I'ma drop it on your ****** head		

Yeah, ***** I'ma pick the (9)_____ up and

rma drop it on your """" nead	
Yeah, and I can die no rebirth now **********	
Hop up in my spaceship and (10)	earth *********
I'm gone, ********	
I'm gone
