Though hope is frail

### Fill in the gaps

#### When You Believe by Mariah Carey & Whitney Houston

Many nights we've prayed		It's hard to kill		
With no proof anyone could hear		Who knows what miracles		
In our hearts a hopeful song		You can achieve		
We barely understood		When you believe		
Now we are not afraid		Somehow you will		
Although we know there's (1) t	o fear	You will (5) you believe		
We were moving mountains		They don't always happen when you ask		
Long before we (2) we could		And it's (6) to give in to your fear		
There can be miracles		But when you're (7)	by your pain	
When you believe		Can't see your way (8)	(9)	_ the
Though hope is frail		rain		
It's hard to kill		Thought of a still resilient voice		
Who knows what miracles		Says love is very near		
You can achieve		There can be miracles		
When you believe		When you believe		
Somehow you will		Though hope is frail		
You (3) when you believe		It's hard to kill		
In this time of fear		Who knows what miracles		
When prayer so often proves in vain		You can achieve		
Hope seemed like the summer birds		When you believe		
Too swiftly flown away		Somehow you will		
Yet now I'm standing here My heart's so full I can't explain		Now you will		
		You will when you believe		
Seeking faith and (4)	words	You will when you believe		
I never thought I'd say		Just believe		
There can be miracles		Just believe		
When you believe		You will when you believe
