Fill in the gaps

When You Believe by Mariah Carey & Whitney Houston

Many nights we've prayed	It's (13) to kill
With no proof anyone could hear	Who (14) what miracles
In our (1) a (2) song	You can achieve
We barely understood	When you believe
Now we are not afraid	Somehow you will
Although we know there's much to fear	You will when you believe
We were (3) mountains	They don't always (15) when you ask
Long (4) we (5) we could	And it's easy to (16) in to your fear
There can be miracles	But (17) you're (18) by your
When you believe	pain
Though hope is frail	Can't see (19) way (20)
It's hard to kill	(21) the rain
Who (6) miracles	Thought of a still resilient voice
You can achieve	Says love is very near
When you believe	There can be miracles
Somehow you will	When you believe
You will when you believe	Though (22) is frail
In this time of fear	It's (23) to kill
When prayer so often (8) in vain	Who knows what miracles
Hope seemed like the summer birds	You can achieve
Too swiftly (9) away	When you believe
Yet now I'm (10) here	Somehow you will
My heart's so full I can't explain	Now you will
Seeking faith and (11) words	You will when you believe
I never (12) I'd say	You will when you believe
There can be miracles	Just believe
When you believe	Just believe
Though hope is frail	You will when you helieve
