Love's A Game by The Magic Numbers

Maybe I think, maybe I don't	And (10) I'm a fool for (11) in
Maybe I will, maybe I won't find my way this time	line
I hear you're calling me soon	And maybe I should try to leave (12) time
One of these days	I'm an honest mistake (13) you made
Somebody stays and (1) pays	Did you (14) to?
It happens all the time	(Oh) Did you mean?
I'll be leaving, believing you wanted me to	(Oh) Did you mean?
And maybe I'm a (2) for walking in line	Love is (15) a game
And (3) I (4) try to leave this	Broken all the same
time	And I (16) get over you
I'm an honest mistake that you made	Love is (17) a lie
Did you mean to?	Happens all the time
(Oh) Did you mean?	Swear I know this much is true
(Oh) Did you mean?	And maybe I'm a (18) for walking in line
Love is just a game	And maybe I should try to leave this time
Broken all the same	I'm an (19) (20) that you
And I (5) get over you	made
Love is just a lie	Did you (21) to?
Happens all the time	(Oh) Did you mean?
Swear I know this much is true	(Oh) Did you mean?
And they (6) you up	Love is (22) a game
And collared you down and coloured you in	Broken all the same
And I've (7) (8) so long	And I will get over you
To take you home	Love is just a lie
And maybe I think, (9) I don't	Happens all the time
Maybe I will, maybe I won't	Swear I know (23) much is true
Find my way tonight	
But I hear you're calling me soon
