

## Fill in the gaps

You held my hand and walked me home	Yeah, that's what I said
I know	Did I not tell you that I'm not like that girls?
While you (1) me that kiss it was	The one who throws it all away
(2) like this	Did you think that I was gonna give it up to you
It made me go, oh oh	This time?
You wiped my tears, got rid of all my fears	Did you think that I was something I was gonna do
Why did you have to go?	And cry?
Guess it wasn't enough to take up some of my love	Don't try to tell me what to do
Guys are so hard to trust	Don't try to (9) me what to say
Did I not (3) you that I'm not like that girls?	You're better off that way, yeah
The one who (4) it all away, yeah	This guilt trip that you put me on won't
Did you think that I was gonna give it up to you	Mess me up but you're no wrong
This time?	Any thoughts of you and me have gone away
Did you think that I was something I was (5) do	Did you think that I was gonna give it up to you
And cry?	This time?
Don't try to tell me what to do	Did you think that I was something I was (10) do
Don't try to tell me what to say	And cry?
You're (6) off that way	Don't try to tell me what to do
Don't think that your charm and the fact that (7)	Don't try to tell me what to say
arm	You're better off that way, yeah (better off that way)
Is now (8) my neck	I'm better off alone anyway
I got you in my pants I'll have to kick your ass	
And make you never forget	
I'm gonna ask you to stop, thought I liked you a lot	
But I'm really upset	
Get out of my head, get off of my bed
