The Other Side by Bruno Mars & Cee Lo Green & B.o.B

Truth of the matter is I'm complicated		Cause this ain't Wonderland
You're as (1)	as they come	It damn sure ain't Narnia
You go 'bout your day baby		And once you (5) the line
While I had from the sun		You can't change your mind
It's better if you don't understand		Yeah I'm a monster
Cause you wont (2) w	hat it's like	But I'm no Frankenstein
Until you try		And quite frankly
You know I, I've been (3)	on the other side	I've been feeling insane in between my eyes
And you, all you gotta do is cross the line		I really cant explain what I feel inside
I could (4) a whole life time		If you knew what I was you's would run and hide
But you just gotta decide		Many (6) tried to go (7) the night
You know I		Cross over the line and come back alive
I've been waiting on the other		But that's the price we pay
Waiting on the other side		When we living on the other side
We would live forever		You know I, I've (8) waiting on the other side
Who could ask for more		And you, all you gotta do is cross the line
You could die if you wanted		I could wait a whole life time
But baby what for		But you (9) gotta decide
It's better if you don't understand		You know I
And you won't know what it's like		I've been waiting on the other
Until you try		Waiting on the other side
You know I, I've been waiting on the other side		It's better if you don't understand
And you, all you gotta do is cross the line		It's better if you don't understand
I could wait a whole life time		It's better if you don't understand
But you just gotta decide		It's (10) if you don't understand
You know I		It's better if you don't understand
I've been waiting on the other		It's better if you don't understand
Waiting on the other side
