Fill in the gaps

The Other Side by Bruno Mars & Cee Lo Green & B.o.B

Truth of the matter is I'm complicated	Cause this ain't Wonderland
You're as straight as they come	It damn sure ain't Narnia
You go 'bout your day baby	And once you cross the line
While I had from the sun	You can't (12) your mind
It's (1) if you don't understand	Yeah I'm a monster
Cause you wont (2) what it's like	But I'm no Frankenstein
Until you try	And quite frankly
You (3) I, I've (4) waiting on the other	I've (13) feeling insane in (14)
side	my eyes
And you, all you gotta do is cross the line	I (15) cant (16) what I feel
I (5) wait a whole life time	inside
But you just gotta decide	If you knew what I was you's would run and hide
You know I	Many (17) to go into the night
I've (6) on the other	Cross (19) the (20) and (21)
Waiting on the other side	back alive
We (8) live forever	But that's the price we pay
Who could ask for more	When we living on the (22) side
You could die if you wanted	You (23) I, I've been waiting on the other side
But baby what for	And you, all you (24) do is cross the line
It's better if you don't understand	I could wait a whole life time
And you won't know what it's like	But you just gotta decide
Until you try	You know I
You know I, I've been (9) on the other side	I've (25) waiting on the other
And you, all you (10) do is cross the line	Waiting on the other side
I could wait a whole life time	It's better if you don't understand
But you just gotta decide	It's better if you don't understand
You know I	It's better if you don't understand
I've been waiting on the other	It's better if you don't understand
Waiting on the other side	It's better if you don't understand
If they say life's a dream	It's better if you don't understand
Call (11) insomnia	

1. better

- 2. know
- 3. know
