Fill in the gaps

The Other Side by Bruno Mars & Cee Lo Green & B.o.B

Truth of the matter is I'm complicated	Cause this ain't Wonderland
You're as straight as they come	It damn (5) ain't Narnia
You go 'bout your day baby	And once you cross the line
While I had (1) the sun	You can't change your mind
It's better if you don't understand	Yeah I'm a monster
Cause you wont know what it's like	But I'm no Frankenstein
Until you try	And quite frankly
You know I, I've been waiting on the other side	I've been feeling insane in between my eyes
And you, all you gotta do is (2) the line	I really cant explain what I feel inside
I could wait a whole life time	If you knew what I was you's would run and hide
But you just gotta decide	Many have tried to go into the night
You know I	Cross over the line and come back alive
I've been waiting on the other	But that's the (6) we pay
Waiting on the other side	When we living on the other side
We would live forever	You know I, I've been (7) on the other side
Who could ask for more	And you, all you gotta do is cross the line
You could die if you wanted	I could wait a whole life time
But baby what for	But you just (8) decide
It's better if you don't understand	You (9) I
And you won't know what it's like	I've been waiting on the other
Until you try	Waiting on the other side
You know I, I've been waiting on the other side	It's better if you don't understand
And you, all you (3) do is cross the line	It's better if you don't understand
I could wait a (4) life time	It's better if you don't understand
But you just gotta decide	It's better if you don't understand
You know I	It's better if you don't understand
I've been waiting on the other	It's better if you don't understand
Waiting on the other side
