And breathe, just breathe

## Fill in the gaps

## Breathe (2 AM) (Live) by Anna Nalick

2 AM and she calls me 'cause I'm still awake	Oh breathe, just breathe
Can you help me unravel my latest mistake?	There's a light at each end of this tunnel
I don't love him	You shout
Winter just wasn't my season	'Cause you're just as far in as you'll ever be out
Yeah we (1) through the doors	And these mistakes you've made
So accusing their eyes	You'll just make them again
Like they (2) any right at all to criticize	If you only try turning around
Hypocrites you're all here for the very (3) reason	2 AM and I'm (5) awake, writing a song
'Cause you can't jump the track	If I get it all (6) on paper
We're like cars on a cable	It's no longer inside of me
And life's like an hourglass	Threatening the life it (7) to
Glued to the table	And I feel like I'm (8) in front of the crowd
No one can find the rewind button, girl	Cause these words are my diary
So cradle your head in your hands	Screaming out loud
And breathe, just breathe	And I know that you'll use them
Oh breathe, just breathe	However you want to
May he turned 21 on the base at Fort Bliss	But you can't jump the track
"Just a day" he said down to the flask in his fist	We're like cars on a cable
Ain't been sober, since maybe October of last year	And life's like an hourglass
Here in town you can tell he's been down for a while	Glued to the table
But, my God, it's so beautiful when the boy smiles	No one can find the rewind button now
Wanna hold him	Sing it if you understand
Maybe I'll just sing about it	And breathe, just breathe
Cause you can't jump the track	(Woah) Breathe, just breathe
We're like cars on a cable	Oh breathe, (9) breathe
And life's like an hourglass	Oh breathe, just breathe
Glued to the table	
No one can (4) the rewind button, boys	
So cradle your head in your hands
