Your lipstick stains on the front lobe of my (1) side	Hey (6) sister, ain't that mister mister on the radio,

I knew I wouldn't forget you	The way you move ain't fair you know
And so I (2) and let you blow my mind	Hey (7) sister, I don't wanna miss a single
Your sweet moving	(8) you do tonight
The smell of you in every single dream I dream	Well you can cut a rug
I knew when we collided you're the one I have decided	Watching you is the only drug I need
Who's one of my kind	So gangster, I'm so thug
