

Fill in the gaps

You Give Me Something by James Morrison

You (1) to (2) with me in the morning	But I'm willing to give it a try
You only (3) me when I sleep	Please give me something
I was (4) to tread the water	'Cause (14) I (15)
Now I've (5) in too deep	(16) you from my heart
For every (6) of me that wants you	But it might me a second too late
Another piece backs away	And the words that I could (17) say
Cause you give me something	Gonna come out anyway
That makes me scared, alright	'Cause you give me something
This could be nothing	That (18) me scared, alright
But I'm (7) to give it a try	This (19) be nothing
Please (8) me something	But I'm willing to (20) it a try
Cause someday I (9) know my heart	Please give me something
You already waited up for hours	'Cause you give me something
Just to (10) a little time alone with me	That (21) me scared, alright
And I can say I've never (11) you flowers	This (22) be nothing
I can't (12) out what they mean	But I'm willing to (23) it a try
I never thought that I'd love someone	Please (24) me something
That was (13) else's dream	'Cause someday I might know my heart
Cause you give me something	Know my heart, (25) my heart, (26) my
That makes me scared, alright	heart
This could be nothing
