## Under Cover Of Darkness by The Strokes

Slip back out of whack at your best	Everybody's been singing the same song for ten years
t's a nightmare	I'll wait for you
So I'm joining the army	Will you wait for me too?
Know how (1) back out, I still call	And they (5) their lives
Nill you wait for me now?	In the land are all (6) eyes
We got the righteous advice to use it	I've been (7) it a (8) times
Got everything but you can just choose it	And I'll say it again
won't tie me a puppet on a string	So long, my adversary and friend
Don't go that way	Don't go that way
'll (2) for you	I'll wait for you
And I'm tired of all your friends	I'm tired of all your friends
Listening at your door	Knocking down your door
And I want what's (3) for you	Get up in the morning, give it your all
So long my friend and adversary	So long my friend and adversary
But I'll wait for you	I'll wait for you
Get dressed (4) out of bed and do it best	
Are you ok?
