Fill in the gaps

Everybody Is Free To Feel Good by Rozalla

Everybody's (1) to feel good	Now is the moment to
Everybody's free to feel good	Reach out to someone
Everybody's free	It's all up to you
Brother and sister	When everyone's sharing their hope
Together we'll make it through	Then love will win through
Some day a spirit will	Everybody's free to feel good
Lift you and take you there	Everybody's free to feel (6)
I know you've been hurting	Everybody's free to feel good
But I've (2) there	Everybody's free to feel (7)
Waiting to be there for you	Everybody's (8) to feel good
And I'll be (3) just helping you out	Everybody's free to (9) good
Whenever I can	Everybody's free to feel good
Everybody's free to feel good	Everybody's free to feel good
Everybody's (4) to feel good	Everybody's free to feel good
We are all a family	Everybody's free to feel good
That should stand together as one	Everybody's free to feel good
Helping (5) other	Everybody's free to feel good
Instead of just wasting time
