

## Fill in the gaps

Teenage dreams in a (1) circus	We are not what you think we are
Running around (2) a clown on purpose	We are golden, we are golden
Who (3) a (4) about the	We are not what you think we are
(5) you (6) from?	We are golden, we are golden
No giving up when you're (7) and you want	Teenage dreams in a teenage circus
some	Running around like a (17) on purpose
Running around again	Who (18) a (19) about the
Running from running	(20) you (21) from?
Waking up in the midday sun	No (22) up when you're young and you
What's to live for?	(23) some
You (8) see what I've done	Now I'm sitting alone
Staring at emotion	I'm finally looking around
In the (9) of day	Left here on my own
I was running	I'm (24) to (25) myself
From the things (10) you'd say	Maybe losing my mind
We are not what you think we are	I'm still wondering why
We are golden, we are golden	Had to let the world
We are not what you think we are	Let it bleed me dry
We are golden, we are golden	We are not what you think we are, we are
Teenage (11) in a teenage circus	We are not what you (26) we are
Running (12) like a (13) on	We are not what you (27) we are
purpose	We are golden, we are golden
Who (14) a damn about the family you come	Teenage (28) in a teenage circus
from?	Running (29) like a clown on purpose
No giving up when you're young and you want some	Who gives a damn about the family you come from?
Running around again	No giving up when you're young and you want some
Running from running	Running around again
Running around again	Running from running
Running from running	Running around again
I was a boy	Running from running
At an open door	We are not what you think we are
Why you staring?	We are golden, we are golden
Do you still think that you know?	
Looking for treasure	
In the (15) that you threw	
Like a magpie	
I (16) for glitter, not you
