Teenage (1) in a	teenage circus	We are not what you think we are
Running around like a clown on purpose		We are golden, we are golden
Who gives a damn about the family you come from?		We are not what you (5) we are
No giving up when you're young and you want some		We are golden, we are golden
Running around again		Teenage dreams in a teenage circus
Running from running		Running around like a clown on purpose
Waking up in the midday sun		Who (6) a damn about the family you come
What's to live for?		from?
You could see what I've done		No giving up when you're young and you want some
Staring at emotion		Now I'm sitting alone
In the light of day		I'm finally (7) around
I was running		Left here on my own
From the things that you'd say		I'm going to hurt myself
We are not what you think we are		Maybe (8) my mind
We are golden, we are golden		I'm still wondering why
We are not what you think we are		Had to let the world
We are golden, we are golden		Let it bleed me dry
Teenage dreams in a teenage circus		We are not what you think we are, we are
Running around like a clown on purpose		We are not what you think we are
Who gives a damn about the family you come from?		We are not (9) you think we are
No giving up when you're young and you want some		We are golden, we are golden
Running around again		Teenage dreams in a teenage circus
Running (2) running		Running around like a clown on purpose
Running around again		Who gives a damn about the family you come from?
Running from running		No giving up when you're (10) and you wan
I was a boy		some
At an open door		Running around again
Why you staring?		Running from running
Do you still think that you know?		Running around again
Looking for treasure		Running from running
In the things (3) you threw		We are not what you think we are
Like a magpie		We are golden, we are golden
I (4) for glitter, not you
