

## Fill in the gaps

Skies are dark it's time for rain		I don't wanna let go
Final call you board the train		So say it isn't so
Heading for tomorrow		Miles and miles to go
I wave (1)	to yesterdays	Before I can say
Wipe the tears you hide your face		Before I can lay
Blinded by the sorrow		My love for you to sleep
How can I be smiling like before		Oh, darling oh
When baby, you don't love me anymore		I got miles and miles to go
Say it isn't so		Before (5) will ever hear
Tell me you're not leaving		Me laugh again
Say you changed your mind now		Say it isn't so
That I am only dreaming		Tell me you're not leaving
That this is not goodbye		Say you (6) your (7) now
This is starting over (hmm)		That I am only dreaming
If you wanna know		That (8) is not goodbye
I don't (2) let go		This is starting over
So say it isn't so		Say I'm not (9) awake
Ten to five at least we tried		If you wanna know
We're still alive but hope just died		I don't wanna let go
As they close the door behind you		So say it isn't so
Whistle blows and tons of steel		Say you changed your mind now
Shake the ground beneath the wheels		That I am (10) dreaming
As I wish I (3)	found you	That this is not goodbye
How can I be smiling when you're gone		This is starting over
Will I be strong enough to carry on		Say I'm not wide awake
Say it isn't so		If you wanna know
Tell me you're not leaving		I don't wanna let go
Say you changed your (4) now		So say it isn't so
That I am only dreaming		If you wanna know
That this is not goodbye		I don't wanna let go
This is starting over		So say it isn't so
Say I'm not wide awa	ake
