That chills the air and drifts the snow

4 Seasons Of Loneliness by Boyz II Men

I long for the warmth of (1) gone by	And I imagine kissing you under the mistletoe
When you were mine	When springtime makes its way here
But now those days are memories in time	Lilac blooms reminds me of
Life's empty without you by my side	The scent of your perfume
My heart belongs to you no matter what I try	When summer burns with heat
When I get courage up to love somebody new	I always get the hots for you
It always falls apart cause they just can't compare to you	Go skinny dippin' in the (8) where we used to do
Your love won't release me I'm bound under ball and chain	When autumn sheds the leaves the trees are bare
Reminiscing our love as I watch four (2)	When you're not here It doesn't feel the same
change	This loneliness
In comes the winter breeze	Has crushed my heart
That chills the air and drifts the snow	Please let me love again
And I (3) kissing you (4) the	Cause I need your love to comfort me and ease my pain
mistletoe	Or four seasons will bring the loneliness again
When springtime makes its way here	In comes the winter breeze
Lilac blooms reminds me of	That chills the air and drifts the snow
The scent of your perfume	And I imagine kissing you under the mistletoe
When summer burns with heat	When springtime makes its way here
I always get the hots for you	Lilac blooms reminds me of
Go skinny dippin' in the ocean where we used to do	The scent of your perfume
When autumn sheds the leaves the trees are bare	When summer burns with heat
When you're not here It doesn't feel the same	I always get the hots for you
(It doesn't (5) the same)	Go skinny dippin' in the (9) where we used to do
	When autumn sheds the leaves the trees are bare
Remember the nights when we closed our eyes	When you're not here It doesn't feel the same
And vowed that you and I (6) be in love for all	(It doesn't feel the same)
time	Remember the (10) of days gone by
Anytime I think about these things I shared with you	
I break down and cry cause I get so emotional	
Until you release me I'm bound under ball and chain	
Reminiscing our love as I watch four seasons change
