4 Seasons Of Loneliness by Boyz II Men

I long for the (1) of days gone by	And I (19) (20) you
When you (2) mine	under the mistletoe
But now those days are memories in time	When springtime makes its way here
Life's empty without you by my side	Lilac blooms reminds me of
My heart belongs to you no matter (3) I try	The scent of your perfume
When I get (4) up to love	When summer burns with heat
(5) new	I always get the hots for you
It (6) falls apart cause they just can't compare	Go skinny dippin' in the ocean where we used to do
to you	When autumn sheds the leaves the trees are bare
Your love won't release me I'm bound under ball and chain	When you're not (21) It doesn't feel the same
Reminiscing our (7) as I watch four seasons	This loneliness
change	Has crushed my heart
In comes the winter breeze	Please let me love again
That (8) the air and drifts the snow	Cause I need your love to (22) me and
And I (9) kissing you under the mistletoe	ease my pain
When springtime makes its way here	Or four (23) will (24) the
Lilac blooms (10) me of	Ioneliness again
The scent of your perfume	In comes the winter breeze
When (11) burns with heat	That chills the air and drifts the snow
I always get the hots for you	And I imagine kissing you under the mistletoe
Go skinny dippin' in the ocean where we used to do	When springtime makes its way here
When autumn sheds the leaves the trees are bare	Lilac blooms reminds me of
When you're not (12) It doesn't feel the same	The scent of (25) perfume
(It doesn't feel the same)	When (26) burns with heat
	I always get the hots for you
Remember the nights (13) we closed our eyes	Go skinny dippin' in the ocean where we (27) to do
And vowed that you and I would be in love for all time	When autumn sheds the leaves the trees are bare
Anytime I think about these things I (14) with	When you're not here It doesn't feel the same
you	(It doesn't (28) the same)
I break (15) and cry cause I get so emotional	Remember the warmth of days gone by
Until you release me I'm (16) under ball and	
chain	
Reminiscing our (17) as I (18) four
