If a boy had a chance	Are you hiding (9) behind those eyes?
A chance with someone like you	I just freeze every time you see through me
Are you gonna (1) his heart	And it's all over you, electric blue
Let him cry for the moon?	In too deep, standing here waiting
Are you hiding somewhere behind those eyes?	As I'm breaking in two, electric blue
I just freeze every time you see through me	I can see, can see that it may be
And it's all over you, (2) blue	Just a vision of you, electric blue
On my knees, help me baby	On my knees, help me baby
Tell me what can I do?	Tell me what can I do?
Electric blue	Electric blue
Oh I had a dream	I (10) freeze every time you see through me
For a moment I believed it was true	And it's all over you, electric blue
Oh I'd have (3) anything just to be there with	In too deep, standing here waiting
you	As I'm breaking in two, electric blue
Are you hiding (4) behind	I can see, can see that it may be
(5) eyes?	Just a vision of you, electric blue
I (6) freeze (7) time you see	On my knees, help me baby
through me	Tell me what can I do?
And it's all over you, electric blue	Electric blue
In too deep, standing here waiting	Electric blue
As I'm breaking in two, electric blue	(Electric blue)
I can see, can see that it may be	(Electric blue)
Just a (8) of you, electric blue	
On my knees, help me baby	
Tell me what can I do	
Electric blue
