_ behind those eyes?

If a boy had a chance	Are you hiding (5) behind those 6
A (1) with someone like you	I just freeze (6) time you see through me
Are you gonna break his heart	And it's all over you, (7) blue
Let him cry for the moon?	In too deep, standing here waiting
Are you hiding somewhere behind those eyes?	As I'm breaking in two, electric blue
I just freeze every (2) you see through me	I can see, can see that it may be
And it's all over you, electric blue	Just a vision of you, electric blue
On my knees, (3) me baby	On my knees, help me baby
Tell me what can I do?	Tell me (8) can I do?
Electric blue	Electric blue
Oh I had a dream	I just freeze every time you see through me
For a moment I believed it was true	And it's all over you, electric blue
Oh I'd have given anything just to be there with you	In too deep, standing here waiting
Are you hiding somewhere behind those eyes?	As I'm breaking in two, electric blue
I just freeze (4) time you see through me	I can see, can see that it may be
And it's all over you, electric blue	Just a vision of you, electric blue
In too deep, standing here waiting	On my knees, help me baby
As I'm breaking in two, electric blue	Tell me what can I do?
I can see, can see that it may be	Electric blue
Just a vision of you, electric blue	Electric blue
On my knees, help me baby	(Electric blue)
Tell me what can I do	(Electric blue)
Electric blue
