

## Fill in the gaps

r can see the pain (1) in your eyes
And I know how hard you try
You (2) to have so much more
I can feel your heart and I sympathize
And I'll never criticize
All you've ever meant to my life
I don't want to let you down
I don't want to lead you on
I don't want to hold you back
From where you might belong
You would never ask me why
My heart is so disguised
I (3) can't live a lie anymore
I would rather hurt myself
Than to ever make you cry
There's (4) left to say but goodbye
You deserve the chance at the kind of love
I'm not sure I'm worthy of
Losing you is painful to me
I don't (5) to let you down

don't want to (6) you on
don't want to hold you back
From (7) you might belong
You would (8) ask me why
My heart is so disguised
just can't live a lie anymore
would rather hurt myself
Than to ever (9) you cry
There's nothing left to say, but goodbye
You would never ask me why
My heart is so disguised
just can't live a lie anymore
(10) rather hurt myself
Than to ever make you cry
There's nothing left to try
Though it's gonna hurt us both
There's no other way than to say goodbye
