Burnt all my bridges now I've run out of places

## Fill in the gaps

Sometimes in life you feel the fight is over		And there's nowhere left for me to turn
And it seems as though the (1)	on the	Been caught in comprimising situations
wall		I should have learnt
Superstar you finally made it		From all those times I didn't walk away
But once your picture becomes tainted		When I knew that it was best to go
It's what they call		Is it too late to show you the shape of my heart
The rise and fall		Sometimes in life you feel the fight is over (hmm yeah)
Sometimes in (2) you feel the fight is over		(Over, hmm yeah)
Over		And it seems as (4) the writings on the wall
And it seems as though the writings on the wall		(The writings on the wall)
Yeah		Superstar you finally made it (oh yeah)
Superstar you finally made it		But once your picture becomes tainted
But once your picture becomes tainted		It's what they call (it's what they call)
It's what they call		The rise and fall (the rise and fall)
The rise and fall		Now I know (now I know)
I always said that I was gonna make it		I made mistakes (I made mistakes)
Now it's plain for everyone to see		Think I don't care
But this game I'm in don't take no prisoners		But you don't realise what this means to me
Just casualties		So let me have
I know that everything is gonna change		Just one more chance
Even the friends I knew before me go		I'm not the man I used to be
But this dream is the life I've been searching for		Used to be (sometimes in life you feel the fight is over)
Started believing that I was the greatest		And it seems as though the writings on the (5)
My life was never gonna be the same		(be)
Cause with the money came a different status		Superstar you finally made it (on the wall yeah)
That's (3) things change		But (6) your picture (7) tainted
Now I'm too concerned with all the things I own		(oh oh yeah)
Blinded by all the pretty girls I see		It's what they call (it's what they call)
I'm beginning to lose my integrity		The rise and fall
Sometimes in life you feel the fight is over		Sometimes in life you (8) the fight is over
Over		And it seems as (9) the writings on the wall
And it seems as though the writings on the wall		(yeah)
Yeah		Superstar you finally made it (oh)
Superstar you finally made it		But once your picture becomes tainted (oh)
But once your picture becomes tainted		It's what they call
It's what they call		The rise and fall (fall)
The rise and fall		The rise and fall (sometimes in life you feel
I never used to be a troublemaker		the fight is over)
Now I don't even wanna please the fans		And it seems as though the writings on the wall
No autographs, no interviews, no pictures		Superstar you finally made it
And less demands (and less demands)		But once your picture becomes tainted (no no no yeah)
Given advice that was clearly wrong		It's (10) they call
The type that seems to make me feel so right		The rise and fall
But some things you may find can take over your life		(Hmm hmm)
