

## Fill in the gaps

### White Flags (Live) by Dido

I know you think that I shouldn't still love you

Or tell you that

But if I didn't say it, well I'd still have felt it

Where's the (1)\_\_\_\_\_ in that?

I (2)\_\_\_\_\_ I'm not trying to make (3)\_\_\_\_\_

life harder

Or return to where we were

But I will go down with this ship

And I won't put my (4)\_\_\_\_\_ up and surrender

There will be no (5)\_\_\_\_\_ flag above my door

I'm in love and always will be

I know I left too much (6)\_\_\_\_\_ and

Destruction to come back again

And I caused nothing but trouble

I understand if you can't talk to me again

And if you live by the rules of "it's over"

Then I'm sure that that makes sense

But I will go down with this ship

And I won't put my hands up and surrender

There will be no white flag above my door

I'm in love and (7)\_\_\_\_\_ will be

And when we meet

Which I'm sure we will

All that was there

Will be there still

I'll let it pass

And hold my tongue

And you will think

That I've moved on...

I will go down with this ship

And I won't put my hands up and surrender

There will be no white flag above my door

I'm in love and always will be

I will go (8)\_\_\_\_\_ with this ship

And I won't put my hands up and surrender

There (9)\_\_\_\_\_ be no white flag above my door

I'm in love and always will be

But I will go down with this ship

And I won't put my hands up and surrender

There (10)\_\_\_\_\_ be no white flag above my door

I'm in love (and always will be)
