White Flags (Live) by Dido

I know you think that I shouldn't still (1)_____ you
Or tell you that
But if I didn't say it, well I'd still (2)_____ felt it
Where's the sense in that?
I promise I'm not trying to (3)_____ your life harder
Or return to where we were
But I will go down with this ship
And I won't put my hands up and surrender
There will be no (4)_____ flag (5)_____ my
door
I'm in love and always will be
I know I left too (6)_____ (7)_____ and
Destruction to come back again
And I caused nothing but trouble
I (8)_____ if you can't talk to me again
And if you live by the rules of "it's over"
Then I'm sure that that makes sense
But I will go down with this ship
And I won't put my (9)_____ up and surrender
There will be no white flag above my door
I'm in love and always will be
And when we meet

Which I'm sure we will
All that was there
Will be there still
I'll let it pass
And hold my tongue
And you will think
That I've moved on...
I will go down with this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in love and always will be
I will go down with this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in love and always will be
But I (10)_____ go down with this ship
And I won't put my hands up and surrender
There will be no white flag above my door
I'm in love (and always will be)
