

Fill in the gaps

I know you think that I shouldn't (1)	Which I'm (18) we will
(2) you	All that was there
Or (3) you that	Will be there still
But if I didn't say it, well I'd still have felt it	I'll let it pass
Where's the sense in that?	And (19) my tongue
I promise I'm not (4) to (5) your life	And you will think
harder	That I've moved on
Or return to where we were	I will go down with this ship
But I (6) go down with (7) ship	And I won't put my hands up and surrender
And I won't put my hands up and surrender	There will be no white flag above my door
There will be no white flag above my door	I'm in love and always will be
I'm in love and always will be	I will go down with this ship
I know I (8) too much mess and	And I won't put my hands up and surrender
Destruction to (9) (10) again	There will be no white flag (20) my door
And I caused nothing but trouble	I'm in (21) and always (22) be
I understand if you can't (11) to me again	But I will go down with this ship
And if you (12) by the rules of "it's over"	And I won't put my hands up and surrender
Then I'm sure that that makes sense	There will be no white (23) above my door
But I (13) go down with this ship	I'm in (24) (and always will be)
And I won't put my (14) up and surrender	
There (15) be no white flag (16) my	
door	
I'm in love and always (17) be	
And when we meet
