Fill in the gaps

Words by Anthony David & India Arie

I believe that heaven must be like this	Cause you were meant for me
Ray of sunshine kissed upon your skin	Simple that may be
Just say you love me	Why be complex
Make my day go good	Loving you is so easy
Pot of gold at the end of a rainbow	Can't tell you nothing you ain't already heard
Can't (1) you nothing you ain't already heard	(Already Heard)
No matter what I say it's nothing but words	No (9) what I say it's nothing but words
Just let me prove to you what I know is real	(Nothing But Words)
Let me express to you the way that I feel	Just let me prove to you what I know is real
I believe that love is synonymous	(It's Real)
With heaven, such a (2) bliss	Let me express to you the way that I feel
The way you touch me, (3) this (4) so	Can't tell you nothing you ain't already heard
good	No matter what I say it's nothing but words
A reward at the, end of our long road	Just let me prove to you what I know is real
Can't tell you nothing you ain't already heard	Let me express to you the way that I feel
(Already heard)	Can't tell you nothing
No matter what I say it's nothing but words	I ain't already heard
(Give me more (5) words)	No matter what I say
Just let me (6) to you what I know is real	It's nothing but words
(So Real)	Just let me prove to you what I (10) is real
Let me express to you the way (7) I feel	Let me express to you the way that I feel
Show me the way (8) you feel	
(Ah ah ah)	
Fairytales can be real if you just believe	
Got my mind made, I don't plan to leave
