

Fill in the gaps

I hung up the phone tonight	Do you ever think, (4) you're all alone
Something happened for the first time	All (5) we can be, where this (6) car
Deep inside, it was a rush, what a rush (what a rush)	go
'Cause the possibility	Am I crazy or falling in love
That you would ever feel the same way about me	Is it real or just another crush
It's just too much, (1) too much	Do you (7) a breath, when I look at you
Why do I keep running from the truth	Are you holding back, like the way I do
All I ever think about is you	'Cause I'm trying, trying to walk away
You got me hypnotized, so mesmerized	But I know this crush ain't (8) away
And I just got to know	Going away
Do you ever think, when you're all alone	Why do I keep running from the truth
All that we can be, where this thing can go	All I ever think about is you
Am I crazy or falling in love	You got me hypnotized, so mesmerized
Is it real or just another crush	And I (9) got to know
Do you catch a breath, when I look at you	Do you ever think, when you're all alone
Are you holding back, like the way I do	All that we can be, where this thing can go
'Cause I'm trying trying to walk away	Am I crazy or falling in love
But I know this crush ain't going away	Is it real or just another crush
Going away	Do you catch a breath, when I look at you
Has it ever crossed your mind	Are you holding back, like the way I do
When we're hanging spending time girl	'Cause I'm trying, trying to walk away
Are we just friends, is (2) more, is	But I (10) this crush ain't going away
(3) more	Going away going away
See it's a chance we've gotta take	
'Cause I believe that we can make this into	
Something that will last, last forever, forever
