Our December by Thriving Ivory

I could see snow (1)_____ hills
You were walking, I was standing still
I could feel the (2)_____ on my face
And we were talking like always
I could touch snow covered leaves
You (3)_____ walking closer to me
I would play you a song out loud
Yeah, we (4)_____ sing it 'till the year runs out
I remember streets covered white
And I remember a long tonight
Said our December will be (5)_____ with light
And I see you walking to me
We were holding (6)_____ in hand
A place to fly and a place to land
Now our December will be (7)_____ to last
I said there'll be no rush for the year to pass
I remember streets covered white
And I remember a long tonight

Said our December will be littered (8)_____ light
And I see you walking to me
I could see snow covered hills
And all at once my heart is still
I see you walking to me
(Yeah) I see you walking to me
I remember streets covered white
And I remember a long tonight
Said our December will be littered with light
And I see you walking to me
I remember (9)_____ covered white
And I remember a long tonight
Said our December will be (10)_____ with light
And I see you walking to me
I see you walking to me
