Our December by Thriving Ivory

I could see snow cover hills
You were walking, I was standing still
I could feel the cold on my face
And we were talking like always
I could touch snow covered leaves
You were (1)_____ (2)_____ to me
I would play you a song out loud
Yeah, we could sing it 'till the year runs out
I remember streets covered white
And I remember a (3)_____ tonight
Said our December will be littered with light
And I see you walking to me
We were (4)_____ future in hand
A place to fly and a place to land
Now our December will be sure to last
I said there'll be no rush for the year to pass
I remember streets covered white
And I remember a long tonight

Said our December (5)_____ be littered with light
And I see you walking to me
I could see snow covered hills
And all at once my heart is still
I see you walking to me
(Yeah) I see you walking to me
I remember streets covered white
And I remember a long tonight
Said our (6)_____ will be
(7)_____ with light
And I see you walking to me
I remember streets (8)_____ white
And I remember a (9)_____ tonight
Said our December will be littered with light
And I see you walking to me
I see you (10)_____ to me
